Tanzania Airports Authority (TAA)

Description (TAA)

[Tanzania Airports Authority](#) (TAA) was founded in 1999 by an Act of Parliament. The authority is responsible for the provision of airport services, ground support, infrastructure and construction of airports in Tanzania. The Authority operates under the purview of the Ministry of Infrastructure Development.

TAA Main Functions: Give technical advice to the Government on the development of airports. Ensure that the Government's airport policies, regulations, procedures and international standards are implemented accordingly. Advise the Government on national and international aspects of airport management.

TAA main offices are located in Dar es Salaam and at Julius Nyerere International Airport.
